

KARMAS – Startup Introduction

Date: 04 January 2026

Subject: Introduction of Karmas – Social Impact & Community-Driven Startup

Dear Sir/Madam,

We are pleased to introduce **Karmas**, a social impact and community-driven digital platform focused on connecting individuals with verified NGOs to enable real-world help and transparent social change. Karmas combines social media features with structured NGO collaboration, allowing users to post, request help, track social impact, and contribute through donations and reward-based engagement. The platform is designed to make social good accessible, scalable, and technology-driven.

Startup Details:

- Stage: Early Traction
- Funding Status: Bootstrapped (Self-funded)
- Entity Type: Partnership Firm
- Sector: Social Impact / Community Technology Platform

Karmas is currently building partnerships with NGOs and onboarding early users while actively engaging with mentors, incubators, accelerators, and potential investors to scale impact nationwide.

We look forward to opportunities for collaboration, mentorship, and support through the Startup India ecosystem.

Sincerely,

Nikhil Kamble
