Subject: Request for Transfer of Loan Processing to Nearest Branch (Karmas Business)

Respected Sir/Madam,

- 1.I, with reference to Loan Application No. ANS-START-10921619-6276287, had applied for a loan via the JanSamarth portal. Upon digital approval of ₹15 lakh, I visited the [current branch name] branch to finalize the process..
- 2.The Senior Manager at the branch informed me that my nearest branch for loan processing would be either Dharavi or Sion-Mahim. I was advised to submit a formal letter requesting the transfer of my loan application to the appropriate nearby branch.
- 3.I am the founder & CEO of Karmas, a social impact venture focused on bridging individuals with NGOs to enable seamless social good. Given the nature of our business, efficient loan processing will help us expand our impact.
- 4.Kindly process the transfer of my loan application to the nearest recommended branch, as per the manager's guidance, for further processing.

Thank you for your assistance.

Sincerely,
Nikhil Ajay Kamble
